

Celebrating Change Maker Success

After implementing our Calls To Action, to promote inclusion and diversity and help recognise, respond to and prevent bullying in your setting, we'd be delighted if you could share your Change Making journey with us, using the prompts below:

1. What is the name of your school or youth setting?
2. Which Calls To Action did you implement and why did you choose those?
3. Tell us about the diversity and inclusion work you completed and how you implemented this work - for example, was it education/training, a whole school initiative or youth led? (max 500 words). What impact(s) did it have and how have you measured success?
4. If you're happy to do so, please share #TeamChangeMaker on social media with your post, to show you've officially become a Change Maker and tag us @_respectme_ or @respectme.scotland.
5. When your success story above is complete, please email it to us at training@respectme.org.uk Please confirm in the box below that you grant respectme permission to share your success story in respectme's Change Maker Series 'Celebrating Success' Spotlights.

Good luck. We can't wait to read about your Change Maker journeys!
